FOUNDERS

Kevin and Kelli Brock founded Foundation Academy Montessori Ministries, Inc. in 2020 to meet the needs of 8th grade students that were struggling to thrive in the public or homeschool setting. Kelli is an educator and a Montessori-trained teacher. Their mission was to provide a safe environment that would encourage self-discipline, independence, and respect for others while also bringing a biblical worldview.

In 2020, the school opened its doors with 8, eighth grade students seated at the kitchen table. This was made possible by a student's prayers as well as the prayers of many parents. Kelli called on her friend, Lisa Michelli, an engineer, and a Montessori-trained teacher, to help start the school.

We now provide a toddler environment for 0–2-year-olds, a primary environment 3-6-year-olds, lower elementary 6-9, upper elementary 9-12, middle school environment 12-14, as well as high school 14–18-year-olds.

Our school is a private school not seeking approval by the state. We are completely funded by parent tuition. Our teachers are Montessori training and there are at least two teachers in every room.

We are excited and blessed to be a part of this wonderful educational journey.

BOARD OF DIRECTORS

A Board of Directors oversees the spiritual, educational, and operational aspects of Foundation Academy Montessori Ministries, Inc.

EDUCATIONAL OVERVIEW

Curriculum

At Foundation Academy Montessori Ministries, Inc., we incorporate a specialized Christian Curriculum which uses the Montessori Method and meets each learner on their specific level. It is a challenging and enriching program for students from 3-18 years old. The student-centered classrooms are specially prepared, multi-age settings with Montessori methods that teach care of self and environment, math, including their own economics within the community, language, Bible, music, art, science, social studies, geography, and personal enrichment. Teachers inspire and equip the adolescent student to own and care for his/her learning and their learning environment, as well as electives.

Our students will also engage in many out of school experiences that enable them to develop on many diverse levels. Core principles include freedom of choice, learning by doing, time to concentrate uninterrupted, clean prepared environments, habits of self-regulation, movement, and plenty of outdoor time.

What is the Montessori Method?

Maria Montessori was the first female doctor in Italy, who later became an educator. She began her project in 1907, which transpired into the first Casa de Bambini (Children's House) which grew into a worldwide educational movement. "I have studied the child. I have taken what the child has given me and expressed it and that is what is called the Montessori Method." Dr. Maria Montessori.

The Montessori Method is a way of thinking about who children are. It is a philosophy that respects the unique individuality of each student. Dr. Montessori believed in the worthiness, value, and importance of children. Her method does not compare a child/student to norms or standards that are measured by traditional educational systems. It is founded on the belief that children/students should be free to succeed and learn without restriction or criticism.

It is an approach to education that takes to heart the needs, talents, gifts, and special individuality of each student. It is a process that helps students learn in their own way at their own pace. The main concept of the Montessori Method is to promote the joy of learning. This joy of learning develops a well-adjusted person who has a purpose and direction in his or her life. Adolescents, who experience the joy of learning, are happy, confident, fulfilled young people. The Montessori Method helps to bring forth the gift that God has given each student.

A Montessori teacher observes each student like a scientist, providing each one with an individual program for learning. Phoebe Child (Head of the Montessori Trust in London) said, “We must be prepared to wait patiently like a servant, to watch carefully like a scientist, and to understand through love and wonder like a saint.”

Most of all, Dr. Montessori wanted to help free a student’s mind to be unfettered to learn without any negative input. It is success oriented in that almost everything is self-teaching and self-correcting. The students learn by doing and by experimentation, which is how God created them to learn.

An understanding parent or teacher is a large part of this student's world. The result is to encourage lifelong learning, the joy of learning, and happiness about one's path and purpose in life.

Academic Learning

Students have studies in all core subjects as well as many elective courses including Bible. Students will receive both individual and small-group lessons and will be expected to manage their learning plans. Assessments will be given with mastery as the goal.

Educational Philosophy

Foundation Academy Montessori Ministries, Inc. believes that education should always be given through a biblical worldview. God has given us the instruction book, the Bible, and has given us the perfect example, Jesus, to which all things learned should be measured up to. He is the standard by which we govern ourselves. He has created the world around us and has given us wisdom on how to live. With all this in mind, we will:

- ❖ Assist parents/guardians in educating their children.
- ❖ Implement a curriculum that is shaped and governed by God's Word.
- ❖ Guide students in the path of wisdom as well as of knowledge.

Guidelines

The emotional tone of the classroom is a relaxed, friendly atmosphere in which the adolescent students can interact spontaneously in meaningful activities. The guidelines constantly reinforced in the environment are:

2. Students will use rather than abuse the learning materials so that they become instruments of learning and creating rather than instruments of destruction.
3. Students will always maintain an orderly environment to facilitate learning.

These guidelines are few but cover a broad area and provide an atmosphere in which the students can learn and grow at their own rate. They are given freedom and with this freedom they have responsibility.

If an evaluation and/or intervention is recommended for a student, the parent/guardian is responsible to work cooperatively with the school in correcting the student's behavior. Extreme cases of disciplinary challenges are subject to dismissal from Foundation Academy Montessori Ministries, Inc.

- **Excused and Exempt:**
 - Funeral for an immediate family member
 - Illness (extended contagious disease, under state quarantine, mental illness, or hospital stay)
- **Excused and Non-exempt:** (e.g., personal or family illness documented by a parent’s note)
 - They can make up work
 - Counts against them as an absence
- **Unexcused, Non-exempt:** (e.g., not showing up, skipping school)
 - CAN NOT make up work
 - Counts against them as an absence

If a note is not supplied within five (5) days, the absence is marked unexcused. *“If there is no documentation, from a doctor or a parent, regarding the absence, then that absence would contribute to the student being labeled truant.”*

Furthermore, *“A student is considered truant with 5 unexcused absences or 5 tardies in a semester.”*

“A. Any student who is a juvenile and who is habitually absent from school or is habitually tardy shall be reported by visiting teachers and supervisors of child welfare and attendance to the family or juvenile court of the parish or city as a truant child, pursuant to the provisions of Chapter 2 of Title VII of the Louisiana Children's Code relative to families in need of services, there to be dealt with in such manner as the court may determine, either by placing the truant in a home or in a public or private institution where school may be provided for the child, or otherwise.

B.(1)(a) A student shall be considered habitually absent or habitually tardy when either condition continues to exist after all reasonable efforts by any school personnel, truancy officer, or other law enforcement personnel have failed to correct the condition after the fifth unexcused absence or fifth unexcused occurrence of being tardy within any school semester.

(b)(i) The parent or legal guardian of a student shall enforce the attendance of the student at the school to which the student is assigned. The parent or legal guardian of a truant student shall ensure that the student makes up missed school work by attending after-school tutoring sessions, weekend make-up classes, or other remediation opportunities, as determined by the school board until the students has caught up with his school work. The parent shall also attend meetings at the school on at least a monthly basis relative to the student's progress until the student has caught up on his missed school work and any assistance fair conducted by the school district that provides information on supports available to families. Failure to comply with the provisions of this Item may subject a parent to the penalties provided in R.S. 14:92.2....

D. For purposes of this Section, the term "tardy" shall include but not be limited to leaving or checking out of school unexcused prior to the regularly scheduled dismissal time at the end of the school day but shall not include reporting late to class when transferring from one class to another during the school day."

A student may be required to attend summer school to receive the lesson(s) and achieve mastery and grade for the subject matter. Students must be in attendance in a classroom at least one hundred sixty-seven (167) days in order to pass the course or grade and earn credit.

When students are tardy, lessons and instructions that are essential to their learning are interrupted. Tardiness also causes a distraction in the learning environment. Please make every effort to have your student to school on time. Each time a student is late, the teacher must stop what she is doing to prepare your student for the day. When arriving late, parents/guardians are to park and call the office 225-323-4224 for a staff member to get the child from your vehicle and walk them to the proper classroom.

When a student has a doctor's appointment and arrives on-campus, the student or parent/guardian must provide a doctor's note within five (5) days of the appointment. In accordance with Louisiana policies, students are allowed to make up missed work for excused absences. If there is an unexcused absence, the student is not allowed to make up the work.

SPECIAL NOTE: Parents and students are expected to keep absences to a minimum. When a student misses school, it is his responsibility to consult his teachers within three days of his return to school concerning missed work. Lack of serious effort on the part of the student in making up work or tests in a timely manner may result in a grade as low as F on the missing work. A student who is absent for a single day prior to or on the day of a planned and announced quiz, test or assignment, must make up the work on the day he returns to school.

Checkout Procedure

For the student to leave campus before the designated dismissal time, parents/guardians must check out the student by parking then notifying the office 225-323-4224. We will bring the student to you.

The person picking the student up must be 18 years or older, have a proper picture ID, **and** be listed on the student's Office Card as authorized to acquire the student. Please do not be offended when asked to show identification as this is a protective measure to keep our students safe.

EMERGENCY GUIDELINES

Classroom Safety and Security

- ❖ A Crisis Management Plan has been prepared and will be visible in each classroom. A diagram depicting routes and procedures for fire and tornado evacuation is located near the entrance of each classroom.
- ❖ The emergency/safety action plan is strategically located around the school.

Emergency School Closing

For the safety of the students, parents/guardians, and teachers, warnings of severe weather conditions (i.e., flooding, hurricanes) may warrant the closing of the school. Parents/Guardians must be prepared either to pick up or to make immediate arrangements to have the student picked up. We will follow Livingston Parish School System closures.

In the event of an emergency, Foundation Academy Montessori Ministries, Inc. will make decisions regarding the closure of the school that is in the best interest of the safety and security of the students and staff. Generally, Foundation Academy Montessori Ministries, Inc. will follow the lead of the Livingston Parish School System. As much as possible, Foundation Academy Montessori Ministries, Inc. will indicate emergency plans through the local news media, text message, and/or email. If the school is closed due to emergency situations, all scheduled extracurricular activities will be canceled.

Emergency Procedures

In case of severe storm warning or other unusual disturbance, students will be taken by their teachers to the safest parts of the house. In most cases, this will be the hallway. Special cooperation will be required from all students for quietness and orderliness.

SCHOOL CALENDAR AND HOLIDAYS

Foundation Academy Montessori Ministries, Inc. aligns the campus school year calendar with the local school district as closely as possible. This includes, but is not limited to, the following vacation days: Labor Day, Thanksgiving, Christmas, Mardi Gras, and Easter.

A campus calendar will be provided for the school year. This will give an overview of the events, holidays, progress reports, report cards, and semesters for the school year. The Calendar of Events is available via Foundation Academy Montessori Ministries, Inc.'s website page. We reserve the right to make changes in the calendar due to emergency and /or other circumstances. Please, refer to this online Calendar of Events to stay current with school activities. Change notices are provided to the students.

CLASS SESSIONS

Orientation

Orientation will be during the first two weeks of school where an assessment during this time will discover where they are on their education journey. This will help create the programs implemented.

Parent/Student interviews are one-on-one with the principal. Orientation and interview dates will be provided during the re-enrollment and open-enrollment periods. You can schedule a meeting with the principal online via the website.

Conferences and Evaluations

Interim reports are provided throughout the year with Transparent Classroom® and SchoolWorx® (Middle School & High School). High School report cards are issued at the end of Semester 1 and Semester 2.

MICRO-ECONOMY AND END-OF-YEAR SCHOOL TRIP

The community of adolescents creates a micro-economy to oversee Café Days and other fundraisers throughout the school year. This small business is an avenue to participate in fundraising for the students' end-of-year school trip (if applicable), field trips, events, lab and coursework supplies, café foods and supplies, and student pantry. These trips are integrated into the overall curriculum presented for the academic school year. Participation is mandatory and a grade is inclusive of all the events (e.g., traveling, tour stops, preparation, implementation, activities).

A student who does not attend/participate is required to make up the material by turning in assignments (as outlined in a provided Assignment Packet) during each day the trip/event occurs, attend a summer school session, or both.

Funds raised from the micro-economy or other fundraising events **do not** take the place of regular tuition payments or other school-associated fees.

A student who **does not** attend/participate in the micro-economy must pay for their portion of the trip/event expenses allotted for the end-of-year trip (if applicable) and events as they occur.

A student who **does not** attend/participate in the end-of year trip or events, **does not receive** the funds earmarked for their portion of the trip's expenses. The funds remain in the school's expense account.

A student who joins Foundation Academy Montessori Ministries, Inc. mid-year (after January 1st) is responsible for his/her end-of-year trip expenses (if applicable) and these end-of-year trip funds are due in full by May 1st (when and if a trip is scheduled).

CHAPEL PROGRAM

On the last Wednesday of each month, Foundation Academy Montessori Ministries, Inc. will have Chapel 8:00 AM - 8:30 AM. Family and friends are encouraged to join us for a time of worship and prayer before school. There will be two separate chapel services. One in the High School building for middle and high school students and another in the Children's House building for children's house and elementary students.

LAND LAB (IMMERSION WEEK)

Throughout the year, an immersion week is integrated. This week is set aside for the students to engage in the development of community outside of the school environment. During this week students are engaged in practical life skills and events (i.e., woodworking, gift giving, community outreach, cooking, internship, gardening).

Students learn to work on and with the land. At the school location, students plant a garden, compost, and do various horticultural projects. Students work together on building projects which integrate academic work into real-life activities, global labs, economic projects, and instruction in learning how to be stewards of the land.

During this mandatory, and graded, week of instruction, the students are introduced to activities and subjects that promote involvement outside of the classroom and promote growth in nature or the community. A student who does not attend/participate is required to make up the material by showing mastery on a topic-based exam, attending a summer school session, or both.

BUSINESS INTERNSHIP WEEK – HIGH SCHOOL

Students participate in a week working in a community business. Parents/Guardians are required to help their adolescents find an appropriate business internship site and provide the necessary transportation. After initial contacts with the businesses are made by the parents and/or student, the teacher and student follow up with school correspondence (which is generally mailed to businesses by mid-January). Stay tuned for more information.

FIELD TRIPS

Educational field trips are planned throughout the school year. All students are required to attend field trips.

- ❖ Field trips are directly connected to educational objectives/curriculum
- ❖ Parents/Guardians will be notified and given a full description of purpose and organization of the trip, time of departure and return
- ❖ Parents/Guardians will be sent permission slips to sign and return to Foundation Academy Montessori Ministries, Inc.; if it is not returned by the due date, the student will not be allowed to participate in the activity
- ❖ Parents/Guardians will be made aware of charges for the trip
- ❖ Parents/Guardians may be asked to help with transportation to and from the trip and/or chaperoning students on the trip
- ❖ Because of potential insurance liabilities, no small children are allowed.

Other community service projects are initiated by students and carried out throughout the year.

In the event that a child is not adequately progressing in the classroom, the following steps will be taken:

1. The lead teacher will consult with the principal and ask them to observe the child in the classroom setting.
2. The principal will give guidance, make recommendations to the classroom teacher regarding appropriate interventions, and inform the parents of the steps being taken in the classroom to help the child succeed.
3. If progress is not observed, the principal will arrange a meeting with the classroom teacher and a committee of experienced teachers to develop an intervention plan. The principal will provide the parents with a copy of the intervention plan.
4. If adequate progress is still not observed, the parents will be asked to attend a conference and form a partnership with the teacher where a plan to meet the child's needs will be developed. Professional evaluation of the child may be requested and may be a condition of the child's continued enrollment.
5. Any professional evaluations with recommended interventions should be shared with the teacher(s) by the parent.
6. A trial period during which progress is expected will be established. Written documentation of expectations during the trial period will be provided to both the parents and the teacher(s) by the principal. At the end of the trial period, the parents, teacher(s), and Principal will schedule a follow-up conference.
7. The child will be withdrawn from the school if the principal believes that continued service is not in the best interest of the child of the program, or that the child cannot be reasonably accommodated.

Review and decision in these matters are the full responsibility of the administration.

Parents/Guardians who wish to withdraw their student(s) from the Foundation Academy Montessori Ministries, Inc. program must:

1. Provide their intent to withdraw via a written letter, delivered via the postal service or in-person.

1. Re-entry into the Foundation Academy Montessori Ministries, Inc. program is not guaranteed or automatic.

Forcible Withdrawal Policy

The goal of Foundation Academy Montessori Ministries, Inc. is that every student who enrolls in the school has a successful and rewarding academic experience. However, when the behavior of any student or family is counterproductive to this mission, dismissal may occur.

For the purpose of this policy, **Forcible Withdrawal** is defined as **the termination of academic services**.

Some of the grounds for recommending a hearing for Forcible Withdrawal are as follows:

1. A child's failure to achieve academically or continued lack of effort.
2. Lack of cooperation by parents in addressing academic or behavior problems of their children.
3. Threats by a student or family to another student, teacher, or staff member.

MEDICATION

We will not be administering medication at school. The **ONLY** exception to this will be for students that require emergency medications such as an EpiPen®. A parent/guardian can come to the school **to give medication** to their **own** student (the parent/guardian must administer the medication prior to leaving the school). ***The parent/guardian must complete the Medication form provided by the school.***

If a student has a fever or is not feeling well in the morning, do not give the student medication and send him/her to school. Please keep them home to keep from spreading the sickness.

Health

Foundation Academy Montessori Ministries, Inc. will enforce a strict health policy. The health forms must be completed and returned to school before the first day of school. The Health Department rules that every student should be immunized against diphtheria, tetanus, whooping cough, polio, mumps, rubella, red measles, and hepatitis. A tuberculin test is recommended but not required.

No student is allowed to attend class if he/she has any of the following: fever, bronchitis, vomiting, otitis media, impetigo, purulent nasal discharge, conjunctivitis, tonsillitis, diarrhea, any suspicious rash, or communicable diseases.

Any student who develops a fever or shows other signs of illness will be isolated at once from the rest of the group. Parents/Guardians will be notified and expected to pick up the student within the hour. If the student develops a contagious disease to which others may have been exposed (including head lice) or virus, please inform the school's principal immediately so other parents/guardians are notified.

To prevent the spreading of illness, unless the student has been fever-free and symptom-free **without medication** for twenty-four (24) hours, we **CANNOT** allow him/her to return to school. Please plan for your student's care in case of illness. Outdoor play is necessary for good health. Students who are too ill to go outdoors are too ill to come to school.

DRIVERS ON CAMPUS

Students allowed to drive on campus must drive cautiously in the environment because of the traffic of students and family members in and around the campus. Students observed 'spinning tires' or driving aggressively will lose their right to drive on campus **permanently**.

Families are responsible for communicating with a driving-student who is allowed to leave the campus with a driving-student. Foundation Academy Montessori Ministries, Inc. will not regulate if students are allowed to get in the vehicle with other students or if drivers can have other passengers. Foundation Academy Montessori Ministries, Inc. and their staff are not responsible for students and their activities once they leave Foundation Academy Montessori Ministries Inc. campus.

Computer usage is a tremendous responsibility, both at school and home.

In using a computer, the student commits to:

- ❖ respect the privacy of others.
- ❖ respect the property of others.
- ❖ recognize that software and music are protected by copyright; thus, I will not copy unauthorized software or music from the school, other people’s computers, or illegal sites.
- ❖ accept the standard(s) established by the school community; thus, I will not access or download any information that is deemed inappropriate or offensive.

- ❖ tell a parent or trusted adult if they encounter anything on the Internet that is obscene, threatening or makes me feel uncomfortable.
- ❖ use only chat rooms in which the audience is known, such as the buddy system or school chatroom.

The student understands with the use of **Computer(s), Electronic Files, and Flash drives** there is an added responsibility. If the responsibility is abused or misused, He/she understands there will be consequences (including, but not limited to, losing computer privileges the entire school year).

Phones

Students can bring phones to school, but **they must REMAIN IN THEIR BOOK BAGS for the duration of the school day**. They may be able to use them to contact parents/guardians when needed.

Only in an emergency contact the Office Administrator 225-323-4224 if communication with the student is necessary during school hours. If students abuse this policy, they will lose the privilege of having a phone at school.

Internet

Throughout the course of instruction and development, monitored videos are used to enhance learning when there is content appropriate for the subject.

SUMMER ENRICHMENT OPPORTUNITIES

To continue in the spirit of community building, there will be enrichment opportunities for the summer. Stay tuned for more information regarding these opportunities.

COMMUNICATION, CONCERNS, GRIEVANCES, AND SOLUTIONS FOR OUR SCHOOL COMMUNITY

If you become dissatisfied with the school in any respect, please use the **Matthew 18** principle and seek to resolve the matter with the person or persons involved, rather than begin to spread criticism, listen to criticism, or hold a negative attitude in your heart.

*“If your brother sins, go and show him his fault in private;
if he listens to you, you have won your brother.
But if he does not listen to you,
take one or more with you, so that*

BY THE MOUTH OF TWO OR THREE WITNESSES EVERY FACT MAY BE CONFIRMED.

*If he refuses to listen to them, tell it to the church;
and if he refuses to listen even to the church,
let him be to you as a Gentile and a tax collector.”
Matthew 18:15-17*

The following procedure is used by Foundation Academy Montessori Ministries, Inc. and taught to the students. Parents/Guardians are requested to use this procedure any time there is a grievance.

1. Pray about it. First and foremost, go to the Father for wisdom, insight, and guidance. Bathing the entire situation in fervent prayer is a must. Ask God to help you make your grievance in such a way that it will result in the betterment of the school, and thus, in the glory and growth of His Kingdom. Read and think about such passages as *Ephesians 4:1-3* and *Colossians 3:12-13*.
2. Do not broadcast it. Express your grievance only to the person who should hear it. Unnecessary worry, harm, and hard feelings result when problems and dissatisfactions are expressed to people other than those directly involved with the problem.
3. Tell it to the right person. Grievances about school policy or operations should be expressed first to the individual in question.
 - a. If this grievance cannot be resolved, THEN it should be expressed to the Foundation Academy Montessori Ministries, Inc. principal (call or email Kelli@famoaks.com).
4. Express it promptly. Keeping it to yourself can cause ill feelings. Get it out of your system (*Matthew 5:23-24*).
5. Express it clearly. Make sure the person you are expressing your grievance to knows all the details of the situation and exactly what you are complaining about and why. Misunderstanding of grievances could lead to further problems and needless hard feelings.

If grievance is made to or about you, understand what grievance is and why it is being made. Give it prompt attention and make it a growth experience. Pray about it and ask God's wisdom in solving the problem.
